Thank You Sir.

This was great!

The learning pit information was great!

I thought this was very useful and will start implementing immediately.

I appreciate the images and learning how the learning pit works

Metaphors really increased the understanding of easy vs challenging and how we can increase childrens ability to choose the challenge.

This is going to change the way I talk to my students about content daily. Thank you!!

Solid foundational information. Good explanation, relatibility + examples.

[redacted] His words were motivating to help challenge my students, in the best way possible.

great content

interesting and lots of uhhuh moments.

Very informational will look for Book!

- Very well-outlined and organized
- Great clarity
- Very relevant

Nice. Outstanding!

My favorite concept was
easy = too easy → to → difficult = interesting

So, so helpful and insightful

Great engagement - ideas

I loved the chart titled "Introducing the Learning Pit". Its very easy to understand. ~~Great presentation~~

3.4) Regarding the presentation, what feedback do you have for this presenter(s)? Please be specific.

Start with learning pit sooner – the hook and background info took a while

Great! Very funny. Easy to stay engaged after lunch :)

Great visuals to aid understanding.

I am looking forward to learning more examples to guide my instruction

The presenter was very engaging. I enjoyed the entire 90 minutes. Thank you.

Thank you!

IMPACTful & POWERful! WHAT A STAGE PRESENCE.

everything is great

Thank you sir.

The presenter was very knowledgable and entertaining. ~~It was~~ He also made it seem "easy" to implement.

I Loved the visuals used to show us your thinking.

Loved Pear ! !

Great engagement. Very inspiring to create this culture in my classroom.

I loved the pacing and the humor - I was engaged the whole time!

Great Presentention

Maybe a little more time to procss with a partner. Lots of good info, I just want to procss it in chunks.

You're hilarious! Plan to look up more of your talks & teachings.

It was easy to follow & I liked that I was able to follow along from my personal device.

Very engaging + relatable

Thank you, love presentation in depth

- Presented with excellent clarity
- made the whole presentation very informative and broke it down into smaller chunks that are very relatable and

None. Excellent visuals to illustrate points

I love how you added the caveat about being a professional with the content based on social needs.

The enthusiasm is great + his personal stories
I value the talk it out (or stand)

Great presentation - Your slides are perfect. They are easy to understand and explain your points perfectly.

3.5) Additional comments about this breakout:

I love how everything Mr. Nottingham spoke about I can take by to my school

Best session so far!!

I'm looking forward to diving into your book

Good luck getting home.

Thank you. What about the ODD stats who are belligerent even about the easy path?

THANK YOU. SAFE TRAVELS HOME.

Thank You sic

He is an engaging presenter.

Awesome – Real & Researched!

Thank you! Hope you made your flight!

You were engaging and fabulous to listen to.

You just changed my entire way of thinking. I had all the pieces down & believed them, but I didn't realize the better [illegible]
