Wonderful

Best presentation yet!

Can you come to my classroom??? ☺

Mr. Nottingham's presentation was wonderful. His use ~~of~~ humor and personal life situations helped my understanding.

I appreciate the slides being shared.

Engaging, humorous, insightful.

Thank you for your energy and enthusiasm.

Who was most engaged on that initial slide of kids in the classroom?

Mankyou

Thankyou.
Thank you → Ahéhee'

Beautifully presented

Very Engaging presentation, made me think
Laugh.

Great !! very informative

Great job on getting your point across to educators.

Excellent ways to engage students
Make sure they know they will be held accountable

I love your story regarding the teacher who pulled you in. That gave me chills and reminded me to continue to pull kids in and make them feel safe/sec

Very Entertaining → made lots of sense.

Wish it were longer.

3.5) Additional comments about this keynote:

How do we engage while balancing compliance/expectations from higher up? System designed against engagement it

Thank you!

Loved the examples

Great! Excited for your breakout session!

My favorite presenter at this summit.

Excellent. Thank you for your insight and strategies!

THANK YOU!

Thank you!

Thank you!

great job. Thanks for your time & sharing.

Thank you for being so engaging.

Thank you!

super useful information!

This was great!

Thank you!

Thank you for giving us your ideas + knowledge of your learning.

THANK YOU!

very interesting / thank you!

Favorite one so far!!

Loved it!

Amazing, absolutely amazing!

Kayl Pregnall

This is very beneficial in our journey at my school to achieve higher order thinking.

Loved it! Amazing!

Thank You!
